"By 1771 Joseph had opened a general store. During the Revolutionary War he was active in the war effort in securing supplies for the Continental cause. He was responsible for securing the materials to build a jail to house the Tories from the area, and also served in the Home Guard." (Volume II of the "Maryland Historical Magazine".)

Joseph and his brother Conrad were signers of the constitution of the Evangelical and Reformed Church and remained active members.

Joseph died 3 August 1819, probably in Frederick. The National Headquarters of the Daughters of the American Revolution gives the following information: "Doll (Dolle), Joseph b. 1747-8 ----Patriot; Member of Committee of Observation, signed Oath of Didelity and Support Frederic Co., MD."

- xiv. Michael Doll, born December 04, 1794 in Frederic, MD; died June 01, 1833 in New Philadelphia OH; married Mary Hoffman May 26, 1816 in Allegany Co MD.

Notes for Michael Doll:

Michael Doll was born in Fredericktown (now Frederick), Frederick County, Maryland, on December 4, 1794. He was baptized January 11, 1795, in the German Reform Church at Frederick. Michael was the last of fourteen children born to Joseph and Charlotte (Storm) Doll. This information is from the German Reform records on microfilm at the C. Burr Artz Public Library at Frederick.

While Michael Doll was living in Frederick before his marriage to Mary Hoffman, he and his brother, Peter, volunteered for the War of 1812. The History of Frederick County, Maryland by T. J. C. Williams and Folgers McKinsey, Chapter XI, page 167, includes the following:

"In 1814 Captain Brengle recruited a full company in Frederick, in four hours. They were called the "Minute Men."

The muster roll of this company was given, and among the privates listed were Peter and Michael Doll. Michael's military record is found at the National Archives, Washington, D. C. as follows:

"Michael Doll, Private in Captain Brengle's Company of Infantry, 1 Reg't. Maryland Militia. Terms of service from August 25 through September 19, 1814, 26 days at \$8.00 per month, amount of pay \$6.86 1st Reg't Ragan's Maryland Militia."

This appears to be a very short term of service but was not unusual in that day.

Roy Peterson, father of Joan (Peterson) Sullivan, shares the following story of his great-grandfather, Michael Doll. Mr. Peterson believes Michael took part in the border fighting in Canada, and that Michael was a Calvary man. It was after Michael's return from military duty that he traded his horse, bridle, and saddle, according to family history, to an Englishman, for a gold watch with three diamonds in the back. Ed Doll, uncle of Roy Peterson, had this watch in Litchfield, Minnesota, where he spent a great deal of time at the newspaper office of Henry I. Peterson, Roy Peterson's father. One day an itinerant buyer of old gold came by, and to the dismay of the whole family, Ed sold this family treasure for \$25.00. Joan (Peterson) Sullivan remembers this incident and thinks it took place in the late 1920's or early 1930's.

The History of Tuscarawas County, Ohio

Warner, Beers & Co., 1884

EPHRAIM SHOWALTER, farmer, P.O. Shanesville, was born June 12, 1823, on the farm he now occupies in Sugar Creek Township, and is a son of John and Elizabeth Showalter. His father was born in Bucks County, Penn., and was raised in Westmoreland County. He came here in 1808, and he and Jacob Walter settled here and began clearing up a farm. They did their own cooking, and obtained their bread and other provisions from Mr. Knisely, three miles west of Dover, Ohio. About 1812, he married Elizabeth Thomas, a native of Maryland, but raised partly in this county. They died on the farm they had settled on, leaving a family of nine children, viz., Anna M. (deceased), wife of David Lower; Isaac (deceased), married to Mary Harrington, Ephraim, our subject; John T.; Catherine (deceased), wife of C. Zimmer; Elizabeth (deceased), wife of T. McCurdy; Esther, widow of C. Fretz, of DeKalb County, Ind.; Sarah (deceased), wife of Peter Dull, of the same county; and Susanna, wife of Samuel Dull, of Kansas. The subject of this sketch was united in marriage, October 5, 1848, with Adeline, a daughter of Jonathan Fisher, by whom he had ten children, viz., Esther A., wife of C. Holser, of Michigan; Mary E., wife of Philip Warnes, of Berlin, Ohio; Sarah B.; Eliza J., wife of John Conrad, of Holmes Count, Ohio; Lucinda C.; Henrietta, now wife of Benjamin F. Teaters; William, Isaac, John E. and Emma. After their marriage, Mr. and Mrs. Showalter settled on the old family homestead, which has never been out of the Showalter name, and have since resided here. He was engaged in the profession of teaching when he was about twenty-three years of age, and followed it for six terms; he was a good disciplinarian, and left a record as a successful teacher. Mr. Showalter is a Republican, and has been School Director of his district twenty-one years. He and the family are members of the Lutheran Church, of which he has been Trustee and Deacon, now holding the position of Elder. He is an upright and influential citizen of the township. William Henry is the oldest son of Mr. and Mrs. Showalter, and was born May 9, 1857, and is twin brother of Henrietta. He is living at home, working for his father. He has already done some successful teaching, and is an intelligent young man, of good influence and social position

Page 657, Sugar Creek Township. - After the War of 1812 had ceased, a rapid stream of emigration poured many settlers into the township, and in a few years it was thoroughly settled. In 1820, the following land owners resided here, and many of them had emigrated years before: Jacob Showalter, a Mennonite, owned a fraction of the northeast quarter of section 18. His brother Peter, a Dunkard, had thirty acres in the northeast quarter of section 19. John Showalter, who kept bachelor's hall with Jacob Walters until the latter's marriage, owned a farm in Section 18.

Winebrenner congregation. Among its early members were Peter Showalter and John Fair. Rev. Metzler is the present minister, and the membership is about seventy-five.

CHRISTIAN ZIMMER, farmer and stock-raiser, P.O. Newcomerstown, is a native of Bavaria, Germany, born October 8, 1818. He emigrated to this county with his parents when he was eighteen years old. His parents were Philip and Catherine (Cline) Zimmer. The former was born January 14, 1785, died June 10, 1877, aged ninety-two years seven months and fourteen days. The latter died in 1866, aged seventy-six years. They are buried in Buck Township, this county. Our subject was married, April 17, 1845, to CATHERINE SHOWALTER, deceased, born April 16, 1826, in Sugar Creek Township, this county and State, and a daughter of JOHN and ELIZABETH SHOWALTER. She died November 18, 1838. Her father was a native of Pennsylvania, and her mother of this county. Marrying a second time, in 1840, Mr. Zimmer chose Christina Smelzy, born August 5, 1823, died December 6, 1853. To this union four children were born, viz.: Lucinda, Amelia, Henry and John. The latter died January 19, 1873, aged seventeen years four months and twenty-eight days. Mr. Zimmer was married a third time; on this occasion, April 25, 1860, to Eliza Fisher, born in this county, January 4, 1835, and a daughter of Jonathan and Hester (Levean) Fisher. To this union have been born eight children, seven living, viz.: Susan E., Albert, Clara A., Manetta, Wilmina May, Francis H., Laura and Artha. Two of the children are married -Lucinda, wife of William Regula, they have three children -Fred, Eda and Albert; and Henry, married to Elizabeth Hammond, by whom he has one child, Arthur. Mr. Zimmer owns 100 acres of land in Oxford Township.

Until 1946, when a Ruth Hammer contacted Jess Gitt, we local Gitts had no knowledge of Jacob's descendants. I am looking for information about the parents of Daniel Doll who married a Maria Margaritha (?) I found this information about Daniel and his descendants in the York County Historical Society. I would very much like to find if he is the son of either Johannes "John" Doll or Hans Konrad "Conrad" Doll. Both of these Dolls settled in the Lancaster PA area in the early 1740's

I am looking for any information concerning a George Doll born in Lancaster PA in the time frame 1742-1746. He married an Elizabeth Mildeburger on 8/11/1767. I am interested in determining if his father was Johannes Doll who settled in Lancaster in 1741. Another possibility for his father would be Hans Konrad Doll who lived in Lancaster at the same time. Also interested in any descendants of George.

Thanks,

Posted by [Colleen McConnell Eagan](#) on February 22, 1999 at 13:55:50:

I am descended from the Peter Doll who came to America in 1737 with his brother, Christian Doll and his wife. Both are sons of Christophel Doll and Sarah Schuch of Erzweiler, Ger. who came to America with the rest of the family in 1739.

This Doll family has been documented in Annette Burgert's book "Eighteenth Century Emigrants from German Speaking Lands," Volume II: The Western Palatinate.

I am looking for four of Peter Doll's children and the maiden name of his wife, Margaretha. I have much documentation on Peter's eldest son, John Dull, who lived and died in Somerset Co., PA.(my ancestor)  
The other four children are missing:

Anna Maria Doll, b. 1754

Christophel Doll (Stophel), b. 1756

Jurg(George)Doll, b. 1758

Elizabeth Doll, b. 1760

Anyone out there a descendant of any of these four children?

Will appreciate any clues.

Colleen

Sir:

My Great, Great, Great Grandparents are John and Elizabeth (Kith) Doll. Four of their children were Joseph, George, Jacob, and John. My GGGrandfather is George. I know that John and Elizabeth were from Yourk Co., but they later migrated to Stark Co., Ohio; Osnaburg Township; I am having a devil of a time tracing them beyond York County, but suspect that John either came from, or had relatives in Fredrick Co., Maryland. Please let me know if can be of any further help to. You may want to get ahold of the Stark County Genealogy people on GenWeb, because they managed to help me with George.

Maria Engel Doll (m. Jacob Sorber d. 1774, Northampton Co, PA) was born 15 Sep 1717 in Ulmet Reformed Church: Ertzweiler, Germany according to Ruth Weber of Columbus, OH. They left for America in 1739.

Eighteenth Century Emigrants the Western Palatinate, Annette Kunselam Burgert, pg 18 lists Christophel Doll, father of the above, as Emigrants who appear in the Ulmet Parish Records.

I just happen to be in Umlet, Germany several weeks ago. The current church was built in the early 1900's - no graveyard. The church across the street was also recent. It did contain surnames of some of the other people on this list of immigrants.

This is a very remote hilly area west of the Paltz, the Palatinate Plain, which is a wine region. It is close to France.

This was not a research trip for me. Since I was closeby I wanted to visit the area.

Please email be privately and we can arrange for exchange of information.

Am looking for descendants of Johannes Baptista Doll from Bretten Germany. Two sons came to Lancaster in the early 1740's. Hans Konrad and Johannes. I have lots of information both backward and forwards on this line. Would be glad to share. Please note my E-mail has changed to [wickdoll@home.com](mailto:wickdoll@home.com) from the earlier prodigy address.

The 1880 census had Henry and his wife Catherine (Betz/Bates) Doll living Osnaburg, Stark County, Ohio. Henry DOLL-age 74 (b. ca 1806), Catherine DOLL age 78- born ca. 1802 in PA as were her parents, Noah DOLL -35, Elizabeth NUNEMAKER age 42 and Silva NUNEMAKER-13. Does anyone have Catherine's date of death, place of burial or an obituary? Her father believed to be Frederick Betz buried 1859 in Walker-Speakman Cemetery, Stark County, Ohio.  
Thank you.

Did you get the death date for Catharine yet? if not, I just got the death date for her and Henry.

Catharine was 82y9m9d at her death, death date was 3 Dec 1884. Henry Doll death date was 3 Sep 1881 he was 75y5m21d at the time of his death. at Osnaburg Township (Mapleton Cemetery #32 I think this other number is the page 117.

It looks like we are on the same family line, I have been looking for the husband of Elizabeth Nunemaker, & Silvia Nunemaker father, are you into sharing ? you see Silvia Nunemaker is my ggrandmother.

Will be glad to share. I assume Elizabeth Nunemaker was the daughter of the Dolls. I believe Catherine (Betz/Bates) Doll was the daughter of Frederick Betz. If so, I have the family traced back additional generations. UAB

This is so exciting Sylvia Nunemaker is my ggrandmother and Elizabeth Doll must be my gggrandmother, I have no info at all on them, but I do on my grandmother, she is the daughter of Sylvia Nunnemaker, her name is Era C Sells, and her birth was 12/4/1893 and her death was 5/31/1972, she at one time was married to Frank Bassett, they had a son his name was Franck C Bassett, and he is my father, so any thing you can share will be so nice, I also have some photos if you would like some.

The 1880 census for Henry Doll, as head of household, named Elizabeth Nunemaker age 42 (1838) as his daughter and Silvia age 14 (1866) as his granddaughter.

Rechecking my notes I found that Henry Doll had two marriages. Assuming there was one Henry Doll it appears that Elizabeth Nunemaker was the daughter of his first marriage. Check the 1850 census for Stark County, Ohio, to verify Elizabeth's birth year. It is available on line. By 1870 Elizabeth was married. She may have married as early as 1860. A Stark County, Website has a volunteer that will search marriages records 1809-1870. (Also cemetery records). Elizabeth may be in the 1860 and 1870 census as Elizabeth Nunemaker/Nunnemaker.

#### Notes:

1829. Henry Doll married Catherine Moon on 19 November 1829 in Stark County, Ohio.  
1830. In Stark County, Ohio- all in Paris township. Frederick Bates-page 193, John Bats Page 192, Samuel Betz page 187 and Abraham Slack page 187, Thomas Mardis 193 (second husband of Jane Coil whose son William Coil married Jane Betz) and a Susana Coil who married Peter Betz.

And Henry Doll page 222 who married Catherine Betz in 1842- Osanburg, Twp.

1831. Henry Doll was a patentee of Stark County, Ohio property on 3/21/1831 (Section 32).

1842. Catherine Betz Doll born 22 February 1802 or 25 February 1802. She married Henry Doll on 18 December 1842 in Stark County, Ohio. . 1880 census included Noah Doll age 35 and Elizabeth Nunemaker age 42 and her daughter Silvia age 13. The 1850-1870 census would further identify other children of Henry Doll. Henry Doll died 3 Sept 1881 (75 Years, 9m, 9d) and Catharine Betz Doll died 3 December 1884 age (82 yrs, 9m, 9d) buried Christ Evangelical Lutheran Osnaburg, Twp. Mapleton Cemetery #32. Catherine Doll who died December 9, 1884, age 82 years, 9 months, 6 days, died near Mapleton, born Pennsylvania, cause of death Palsy, residence Robertsville. Vol. 2 pg. 44.

Hope this helps. Keep me informed of your progress.

I have found a bit more info on Jane Shilling via a relative. Her parents were Hiram and Christine Shilling. Hiram's parents were Adam and Elizabeth Mown. Adam has been said to been married more than once. Would like some dates and additional info. Thanks!

Stark County, Ohio, history says that John Shilling and his wife, Barbara Bughman, came to the county about 1819. Some of the Shilling names we find in the 1830, and 1840, census of Ohio are Adam (our Adam), Christian, Jacob, 3 or 4 Johns, 2 Josephs, Nancy, Peter, and 2 Samuels. These are all listed in the same township of Tuscarawas. Also in nearby counties are George, Tuscarawas County, John, Wayne County. We also know that a Daniel came to DeKalb County in Indiana along with Solomon and Joseph.

These above names run through the Shilling families that are in Ohio. Two of the Shillings listed in cemetery lists say they came from Pennsylvania.

John Shilling who married Barbara Bughman came from Pennsylvania.

Nancy Shilling who was listed in the same household as Samuel is listed as coming from Cumberland County, Pennsylvania. John Shilling was identified as coming from Dutch descent, and from Pennsylvania.

ELIZABETH BICKSLER

Born February 2, 1790 at York Co, PA (note both have 2-2 birthdays?)

ELIZABETH BIXLER

Christened August 25, 1792 at First Reformed Church, Lancaster, PA

Father, Jacob Bixler, mother, Elizabeth

ELIZABETH BIXLER, will 1795

Father, CHRISTIAN BIXLER

ELIZABETH BIXLER

Born October 26, 1799 at Easton, Northampton Co., PA

Father, CHRISTIAN BIXLER

Mother, CATHERINE OPP

ELIZABETH BICKSLER

Christened April 13, 1811 , St. James or St. Jacob's Lutheran and Reformed  
Church, Upper Mahanoy Township, Northumberland Co., PA

Father, JOHANNES BIXLER

Mother, SUSANNA

DAVID BIXLER was found in Lake Township, Stark County, Ohio in the 1840 census.

The name BIXLER was checked because the wife of Daniel Blyler was reported to be Elizabeth BLIXLER by some researchers. I do not find any families by the name of BLIXLER, so thought we should look at the BIXLER name. They are plentiful in PA. Possible because of the "L" in Blyler the same "L" was accidentally put in the name of the wife. Need more information.

John, go to ancesrty.com and enter Peter Shilling. You will get two Peter Shillings. They are cousins. They are both in a down loadable exacutable file named F2632. It is a self extraction file that produces a GEDCOM file that cam be used by most all genealogy programs. Good Luck!

I'm resurching my wife's family (Shillings). The file from this sites show a Hans Adam Shilling/Schilling who has a Jacob Shilling which is on my wife's GGGGGrand father and a brother John (Johannes) Shilling which is the father of your Peter Shilling. There is a Peter in both of these lines. I'm looking for the birth records of John Jacob Shilling son of the formented Jacob Shilling.

My ancestral grandfather was Anthony HOUK, who was born 8 April 1824 in Baden Germany, married Rebecca Bliler 1846 in Canal Fulton OH, and lived most of his later life in Massillon OH. Anthony had 10 children while living in Canal Fulton, some of which later moved to Tiffin, Seneca Co. OH. I have information and pictures to share with anyone else researching this branch of the HOUK family.

My grandfather was Glenn P. Plyler, of Tradesville, SC (b. 10/19/1896; d. 2/19/24) son of William Calhoun Plyler (b. 1847; d. 1912), son of Wyatt P. Plyler (b. 12/1824; d. 1889), son of Leah E. Plyler (b. 1806; d. after 1877), son of Paul Pliler (b. 1776; d. after 1830 census), son of Henry and Mary Christina Reinhart (Bleiler). As my grandfather was killed at a very early age (28), I am interested in any information about any of these relatives.

*John Bleiler m. Maria Christina Reinhart in 1752 at Lancaster  
Was Henry a 2nd marriage? If so was he still a Blyler?  
or a Plyler*

Well, it seems that most of you are from the Ohio/Indiana area. I didn't know there were even any other Blilers in the U.S. I've never heard of any until now. I just wanted to share a little bit about our family, but I can only go as far back as my Great Grandfather. His name was Dale Bliler. He was a farmer for most of his life until he became too ill from tuberculosis to farm. He and his wife, Violet Pistorius Bliler, resided in Blue Mound IL and had two children, Kaye and Marion. Kaye went on to marry Howard Yoder and currently lives in Mt. Auburn IL. She has four children. Marion, who is my grandfather, married Elaine Brown and moved to Taylorville IL to open a veterinary clinic. He raised five children, Mike, who is my father, Kevin, Sharon, Ronda, and Karla. Mike and Kevin currently run Bliler Bros. as farming partnership. Sharon and Karla both became nurses, and Ronda is a school teacher. Marion has seventeen grandchildren, three of which will pass on the family name to thier families. If anyone has anymore questions about my branch of the bliler family, don't hesitate to reply. I will try to find out as much as I can.

Elias & Rachel Colbetyer went to Blue Mound, IL — 6 sons  
 so probably related — so far I don't have a connection

## THEORY OF THE EARTH

### CHAPTER I. OF THE ORIGIN OF THE EARTH.

THE EARTH, as we see it, is a globe, or sphere, of a very great size, and is composed of a solid mass of matter, which is divided into several parts, or regions, called continents, islands, and seas.

The surface of the globe is not perfectly smooth, but is covered with mountains, hills, valleys, and rivers. The mountains are high, steep, and rugged, and are often covered with snow. The hills are lower, and are often covered with grass and trees. The valleys are low, and are often covered with water, or are fertile fields. The rivers are long, and flow from the mountains to the sea.

The globe is also divided into several parts, or regions, called continents, islands, and seas. The continents are large, and are often covered with mountains, hills, and rivers. The islands are small, and are often covered with trees and grass. The seas are large, and are often covered with water.

1. The first part of the paper is devoted to the study of the

properties of the function  $f(x)$  defined by the equation

$$f(x) = \int_0^x \frac{1}{1+t^2} dt.$$

It is shown that the function  $f(x)$  is increasing and concave

downwards on the interval  $(-\infty, \infty)$ .

2. In the second part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow \infty} f(x)$ .

It is shown that the limit exists and is equal to

$$\frac{\pi}{2}.$$

3. In the third part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow -\infty} f(x)$ .

It is shown that the limit exists and is equal to

$$-\frac{\pi}{2}.$$

4. In the fourth part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow 0} f(x)$ .

It is shown that the limit exists and is equal to

$$0.$$

5. In the fifth part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow \infty} f'(x)$ .

It is shown that the limit exists and is equal to

$$0.$$

6. In the sixth part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow -\infty} f'(x)$ .

It is shown that the limit exists and is equal to

$$0.$$

7. In the seventh part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow 0} f'(x)$ .

It is shown that the limit exists and is equal to

$$1.$$

8. In the eighth part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow \infty} f''(x)$ .

It is shown that the limit exists and is equal to

$$0.$$

9. In the ninth part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow -\infty} f''(x)$ .

It is shown that the limit exists and is equal to

$$0.$$

10. In the tenth part of the paper the function  $f(x)$  is

studied in connection with the problem of the

existence of the limit  $\lim_{x \rightarrow 0} f''(x)$ .

It is shown that the limit exists and is equal to

The first part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present. The author then proceeds to discuss the various factors that have shaped the development of the United States, including the role of the government, the influence of the economy, and the impact of the culture. The author concludes by stating that the study of the history of the United States is a task of great importance and one that should be undertaken by all who are interested in the future of the country.

The second part of the paper discusses the role of the government in the development of the United States. It is argued that the government has played a central role in the shaping of the country, and that its actions have been the result of a combination of factors, including the influence of the economy, the impact of the culture, and the role of the individual. The author then proceeds to discuss the various ways in which the government has shaped the development of the United States, including the establishment of the federal government, the creation of the states, and the development of the federal system.

Interesting as Amanda here is 13 and she is listed 10 years later as 14. The image appears to be 14, but that must be incorrect unless there were 2 Amandas. Even then with Abigail not dying until 1874, it seems that all the children, even in the 1880 census would be hers. Last one born in 1874.

#### GERMAN LUTHERAN AND REFORMED

The names used in identifying individual churches are the same as presented by Charles H. Glatfelter in his *Pastors and People, Volume I, Pastors and Congregations*.<sup>1</sup> Alternate names are shown in parentheses. The records referenced here are those which we have examined in most cases. Philip Schaff Library refers to the Evangelical and Reformed Historical Society, Lancaster, Pennsylvania which houses the extensive translations and transcriptions and other works of William J. Hinke.

#### I. ALLEGHENY REFORMED CHURCH

Brecknock Township  
These congregations (Lutheran and Reformed) were organized about 1766.  
Lutheran Pastors: William Kurtz (ca. 1767-1780), George Butler and Henry Moeller (ca. 1790-1795).  
Reformed Pastors: John Waldschmidt (1767-1786), Conrad Ammann (1790-1797).

Location: 3 miles southeast of Mohnton.

Records: Philip Schaff Library. "Church Records of the Allegheny Reformed Church. Brecknock Township. 1767-1864." Copied by William J. Hinke, July 1941.

#### II. ALLEMANGEL CHURCH (Albany, Jerusalem, New Jerusalem, Red) Albany Township

The Lutheran congregation began in the mid 1740s. The Reformed were given permission to use the church in 1768 coincident with the re-building of the church. The name, Red Church, stems from the color of roof and woodwork of the structure constructed in 1812-1814. A Moravian congregation was founded in the region in 1751.

Lutheran pastors: Tobias Wagner (1749-1754), Daniel Schumacher (ca. 1755-1770), Frederick Miller and Daniel Lehman, and others suggested as possibilities by Glatfelter: Casper Kirchner, Peter Mischler, Andrew Friderichs, Frederick Miller.

Location: 2 miles east of Kempton.

Records: Pennsylvania State Library. "Church Record of Jerusalem Church in Albany Township." Translated by W. T. Stauffer, Esq., of the Bar of Newport News, Va. in 1932. Among

his comments are the following:

"The records of this church consist mostly of a record of church building and remodeling, baptismal records, and communion records. There are but two pages of death records and none of marriages. The death records were kept in the Kutztown Church as were also most of the marriage records.

"... Christian names are translated into the English equivalents; but family names are written in the original from as nearly as can be done in English even when it results in a misspelling. An exception is where names of English origin are manifestly misspelled. In family names the feminine ending (en or in) is omitted, not being used in English.

These records were also published as Special Publication No. 23 of National Genealogical Society, translated by John L. Kistler.

Translation held by Philip Schaff Library: "Church Record of the Allemaengel or Albany (Red) Lutheran Church. Also called (New) Jerusalem Church." Copied by William J. Hinke, September 1938.

#### III. ALSACE CONGREGATIONS

Amity Township, now Muhlenberg Township

There was a Union church here in 1747 when visited by Henry Melchior Muhlenberg. The union was broken sometime later in the 1740s and reestablished at Alsace, perhaps as early as the late 1700s or early 1800s.

Lutheran pastors: Philip Streiter, Tobias Wagner (1747-1752), Henry Wortmann (1753) and Daniel Schumacher (1754-1758)

Location: Today both churches (United Church of Christ and the Lutheran Church) are located on Kutztown road just north of the Reading city line in Muhlenberg Township.

Records: No records available prior to 1800.

#### IV. AMITY (Amityville, New Store, St. Paul's) Amity Township

These congregations were organized in 1753; the union church was built for the Lutherans and Reformed in 1754, 3 miles from Molatton.

Lutheran ministers: Helfrich Schaum, Lewis Voigt, Frederick von Gerresheim, Henry Muhlenberg, Christian Streit (1782-1785) and Frederick Weinland (1789-1791).

Reformed ministers: Philip Michael and William Ingold (1790-1795).

Location: Lutheran Church - St. Paul's, Old Swede and Molatton roads, Douglassville. Reformed: St. Paul's United Church of Christ, Athol.

Records: Philip Schaff Library. "St. Paul's (Amity Union). Athol, Pa. St. Paul's c. Amity Church Record, Amityville, Amity Township, Berks County. 1754-1802." Received from Mrs. C. M. Steinmetz, Reading, Pa. July 31, 1941. Translated by Clara M. Wonnberger.

another person, another time.... .. Pat said she will take the Cad. in lieu of her share of the other vehicles. Works out okay. Now, to sell the three sitting there.... ..

Marceline, Linn Co., Mo., is worthy of mention in a positive fashion. There is someone in Missouri who does care about those of us trying to document our direct lines. The Marceline High School Registrar, 1st sent me a letter saying that she could find NO record of my dad, or his siblings. A couple of days ago I received a note from her stating "I just couldn't give up ... .. " She found my dad's high school transcript, along with one for his brother Max. No record of sister's anywhere. At least now I do have something that lists his birthdate. Wish I had seen his report card BEFORE he died. Some subjects were less than he would allow ours to be.....

If I lead you to believe that it is COLD here, excuse me. It just stays overcast, cloudy, and whatever, into the afternoon. Then the heat catches up, and can take off the sweats, or sweat.... ..

Take care, keep on having fun. kk
